Hot Wheels City Bat Loop Attack Playset & 1:64 Scale Toy Car, Featured in the series “Let’s Race”

Hot Wheels City Bat Loop Attack Playset & 1:64 Scale Toy Car, Featured in the series “Let’s Race”:

A wild bat has attacked the Hot Wheels City tire shop just like in the Netflix series "Let's Race", and it's up to kids with great stunting skills to take it out. Launch cars through a loop to knock out the bat or adjust the loop and launcher to take direct aim at the creature. Kids can also focus on the track play and avoid the nemesis by racing under the loop and onto other adventures. Connect it to other Hot Wheels tracks and sets for open-ended play. One Hot Wheels 1:64 scale vehicle is included; additional tracks and set sold separately. Colours and decorations may vary.
