

## Dahua Technology SF1016L network switch Unmanaged L2 Fast Ethernet (10/100) Desktop/Wall-Mounting Grey

**Brand :** Dahua Technology

**Product code:** SF1016L

**Product name :** SF1016L

- 16 × RJ-45 10/100 Mbps ports
  - Wide operating temperature ranging from -10 °C to +55 °C
  - Easy to install, and is plug and play
  - Supports wall mount and desktop mount
- 16-port Unmanaged Desktop Switch, 3.2 Gbps, IEEE 802.3; IEEE 802.3u; IEEE 802.3X, 207 mm × 180 mm × 92 mm

Dahua Technology SF1016L network switch Unmanaged L2 Fast Ethernet (10/100) Desktop/Wall-Mounting Grey:

The Device is a layer-2 commercial switch. It has a high-performance switching engine and a large buffer memory to ensure smooth video stream transmission. With a plastic and fanless design, the device provides a more cost-effective option for customers. The Device is an unmanaged switch, so it does not need to be configured through web interface, which simplifies installation.

| Management features                             |                                      | Design                          |             |
|-------------------------------------------------|--------------------------------------|---------------------------------|-------------|
| Switch type *                                   | Unmanaged                            | Product colour                  | Grey        |
| Switch layer                                    | L2                                   | Power                           |             |
| Ports & interfaces                              |                                      | Power source *                  | DC          |
| Basic switching RJ-45 Ethernet ports quantity * | 16                                   | DC input voltage                | 12 V        |
| Basic switching RJ-45 Ethernet ports type *     | Fast Ethernet (10/100)               | Input current                   | 0.5 A       |
| Network                                         |                                      | Power consumption (typical)     | 1.5 W       |
| Networking standards *                          | IEEE 802.3u, IEEE 802.3x, IEEE 802.3 | Operational conditions          |             |
| 10G support *                                   | ✗                                    | Storage temperature (T-T)       | -40 - 60 °C |
| Ethernet LAN data rates                         | 10,100 Mbit/s                        | Storage relative humidity (H-H) | 10 - 90%    |
| Data transmission                               |                                      | Weight & dimensions             |             |
| Switching capacity *                            | 3.2 Gbit/s                           | Width                           | 160 mm      |
| Forwarding rate                                 | 2.38 Mpps                            | Depth                           | 120 mm      |
| MAC address table *                             | 8 entries                            | Height                          | 42 mm       |
| Jumbo frames support                            | ✓                                    | Weight                          | 300 g       |
| Jumbo frames                                    | 1520                                 | Packaging data                  |             |
