Matchbox Airport Takeoff Adventure Playset with 1 Die-Cast Toy Audi Car & 1 Plastic Plane

Matchbox Airport Takeoff Adventure Playset with 1 Die-Cast Toy Audi Car & 1 Plastic Plane:

Elevate storytelling play with the Matchbox Airport Takeoff Adventure Playset that includes a die-cast Audi e-tron toy car and one plastic airplane. Open the hangar door and taxi out onto the runway, then clip in for take-off. Kids move the lever that puts the plane into motion and into the air. Fly around the control tower and up to cruising altitude, then – with a push of a button – automatically descend back to the ground. It's just like a real-life airplane! Drive the Audi to the entrance to drop off passengers and activate the attendant who approaches with a luggage cart. Store the plane in the hangar with a door that opens and closes. Colours and decorations may vary.
