[Hot Wheels Mattel Dream Mobile, Collectible, 1:64 Scale Toy Car Celebrating Mattel's 80th Anniversary:](#)

Celebrate the 80th anniversary of Mattel with a special commemorative version of the very first toy car it ever made. The Mattel Dream Mobile predates Hot Wheels by 15 years, and Hot Wheels honors its predecessor with a 1:64 scale die-cast edition from the Basics Mainline collection. It features ruby-red coloured deco and special packaging to denote the milestone. Put it on display or engage in creative push-around play that is at the heart of Mattel. Colours and decorations may vary.
