** A+ energy label according to Swiss energy efficiency standards.

**** Excluding the parts in contact with water and coffee.

Highlights

Fresh is best

Freshly ground beans give you the greatest coffee aroma.

Take your best shot

Espresso. Lungo. Extra intense. Your call.

Tiny – yet mighty!

Compact enough for any kitchen counter, powerful enough for barista-style coffee.

Real espresso, real easy

16-bar pressure pump releases full-on flavor from your beans.

Your little barista

Ideal grind size. Precise pressure. Accurate dosing. That’s how real espresso is made. Grind size is not adjustable, so you don’t have to worry about it – let Baristina handle it!

Less waste. More taste.

Goes from beans to grounds, perfect to use as compost.

Swipe. Brew. Enjoy.

Swipe the handle and let Baristina do the rest.

No more messing around.

Just rinse the portafilter or wipe with a cloth to clean – no messy hidden compartments.

Lean, green and clean.

Energy efficient*. 50% recycled plastic**. In 100% plastic-free packaging.

Specifications

Energy efficiency

Period before automatic switching into standby mode: 0 Min
