Product name : Shalu

The small Rainbow Monkey Shalu lives in the forests of Rainbow Island. It usually plays there with its many colourful friends. Sometimes it even comes to the elves to be petted.

schleich BAYALA Shalu:

Shalu, the little rainbow monkey, climbs light as a feather up to the highest tip of the rainbow forest. Up there only the birds can follow it. It is there in a flash when one of its favourite elves appears to stroke or feed it. But what it likes best is being stroked on the back. But you should not touch its feet at all, because it is extremely ticklish there.
