UNO Braille Card Game with Deck Specially Designed for Blind & Low-Vision Players, 2 to 10 Players

Mattel Games UNO Braille Card Game with Deck Specially Designed for Blind & Low-Vision Players, 2 to 10 Players:

The classic family card game UNO is available with braille on every card to make it easy for blind and low-vision players to join in the fun! Like in classic UNO, players match cards by colour or number in a race to deplete their hand and play action cards like Skip, Reverse and Wild Draw Four to throw off the competition. Score points by being the first to get rid of all cards, and when down to one card, don't forget to yell, "UNO!" Braille is featured on packaging, as well as on all 112 cards in the deck. Colours and decorations may vary.
