Hasbro Gaming Minero:

Get rich or go BOOM! The Minero strategy card game is a fun and fast-paced game for the whole family. Take turns flipping cards from the draw pile and placing them on the table. Be ready to think quick and slap fast to claim gem, gold nugget and diamond cards. But don't wait too long – if four sticks of dynamite are flipped, the mine will blow and wipe all the remaining treasures off the table. Once players have reached the end of the deck, the mine is empty and whoever claimed the most valuable objects wins! Designed by Ken Gruhl and Quentin Weir, this fun family game combines simple rules and strategy. For 2 to 5 players ages 8+, the Minero game is an engaging family party game for games nights and everyday play. Party card games for families also make cool kids gifts for fans of fun family games. Includes 69 game cards, 1 final round card and game rules.
