Masters of the Universe Origins 200X Cartoon Collection Ram Man 5.5 Inch Deluxe Action Figure Toy

Masters of the Universe Origins 200X Cartoon Collection Ram Man 5.5 Inch Deluxe Action Figure Toy:

This Origins Cartoon Collection Ram Man deluxe action figure is inspired by the well-loved MOTU 200X action figure line, itself inspired by the He-Man and the Masters of the Universe TV series. This re-imagined version of Ram Man from the vintage toy line released in 2002 has retro style but modern posability. As a deluxe figure, he's larger than the usual 5.5-inch Origins figures. This wide-stanced figure looks ready to bust out of the package. The human battering ram comes with his signature axe as well as a collector card. This toy is suitable for Masters of the Universe fans 6 years and older. Colours and decorations may vary.
