

APC APCRBC110 аккумулятор для ИБП Герметичная свинцово-кислотная (VRLA)

Производитель : APC

Код товара: APCRBC110

Модель : APCRBC110

APC APCRBC110. Количество батареек в комплекте: 1 шт, Емкость батареи: 84 VAh, Цвет товара: Черный. Compliance certificates: RoHS. Технология батареи: Герметичная свинцово-кислотная (VRLA). Вес: 2,5 kg, Ширина: 151 mm, Высота: 105 mm. Ширина упаковки: 175 mm, Высота упаковки: 89 mm, Глубина упаковки: 213 mm

| Свойства                         |                                       | Данные об упаковке                                |             |
|----------------------------------|---------------------------------------|---------------------------------------------------|-------------|
| Емкость батареи                  | 84 VAh                                | Масса брутто                                      | 2,95 kg     |
| Количество батареек в кмплекте * | 1 шт                                  | Условия эксплуатации                              |             |
| Цвет товара                      | Черный                                | Диапазон температур при эксплуатации              | 0 - 40 °C   |
| Сертификаты                      |                                       | Диапазон температур при хранении                  | -15 - 45 °C |
| Compliance certificates          | RoHS                                  | Диапазон относительной влажности при эксплуатации | 0 - 95%     |
| Батарея                          |                                       | Диапазон относительной влажности при хранении     | 0 - 95%     |
| Технология батареи *             | Герметичная свинцово-кислотная (VRLA) | Рабочая высота                                    | 0 - 3000 m  |
| Вес и размеры                    |                                       | Высота в нерабочем режиме                         | 0 - 15000 m |
| Вес                              | 2,5 kg                                | Логистические данные                              |             |
| Ширина                           | 151 mm                                | Код гармонизированной системы описания (HS)       | 85044095    |
| Высота                           | 105 mm                                | Общий углеродный след (kg of CO2e)                | 7,71        |
| Глубина                          | 65 mm                                 |                                                   |             |
| Данные об упаковке               |                                       |                                                   |             |
| Ширина упаковки                  | 175 mm                                |                                                   |             |
