Masters of the Universe Origins 200X Cartoon Collection Roboto 5.5 Inch Deluxe Action Figure Toy

Masters of the Universe Origins 200X Cartoon Collection Roboto 5.5 Inch Deluxe Action Figure Toy:

This Origins Cartoon Collection Roboto Deluxe action figure is inspired by the well-loved MOTU 200X action figure line, itself inspired by the He-Man and the Masters of the Universe TV series. This re-imagined version of Roboto from the vintage toy line released in 2002 has retro style but modern posability. He's oversized to the usual Origins 5.5-inch scale. This big robotic character with a massive mechanical arm looks ready to bust out of the package. This Heroic Mechanical Warrior comes with an oversized blaster, a shoulder cannon and a collector card. This toy is suitable for Masters of the Universe fans 6 years and older. Colours and decorations may vary.
