Shaping and building become even more exciting when your creations light up the darkness! The set includes one of three moulds selected at random – a dragon, a shield, or a castle – allowing you to create fantastic shapes. You can also freely squeeze, shape, and build your own unique constructions with the sand. Want to achieve an even stronger effect? Simply expose the sand or your finished creation to a lamp or another light source. Once the lights go out, your creation will glow even brighter!
