- Black Glass Hob
- 4 Boosters
- 4 Plate on Indicator

Whirlpool induction glass-ceramic hob - WB B8360 NE

4 induction rings. this Whirlpool induction glass-ceramic Hob features: An elegant technology, that heats the pan, not the hob, reducing energy dispersion and providing perfect cooking results. Electric power supply.

Direct access with buttons

A new user interface with dedicated buttons for each cooking zone. Each set of controls is mapped to the corresponding position on the hob surface to make it incredibly intuitive to use.

Induction technology

Faster, energy-efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

Power management

Outstanding energy efficiency. With the Power Management function, you set the hob's power level, to avoid the risk of overloading the power supply in your home.

Melting

Perfect low-heat cooking. The Melting function allows you to cook at very low temperatures, providing you with the ideal solution for melting chocolate, butter or for cooking light, delicate sauces.

Keep warm

Warm meals, anytime. The low-powered Keep Warm function prevents your food from cooling, whilst the rest of the meal is being prepared.

Simmering

Superb simmering. The Simmering function allows you to obtain the perfect results for your slow-cooking recipes, and prevents your food from toughening.

Filo installation

Our cooktops are designed to be both beautiful and functional. The outstanding Filo Design of our integrated cooktops makes cleaning easier than ever before.

Booster

Enjoy super fast boiling times with the Booster cooking zone.

Booster 3Kw

Enjoy ideal results, faster. This Whirlpool Hob features a 3Kw booster for faster, effective heating results.

Connection zone

Versatile cooking experience. This Whirlpool Hob includes the versatile Connection Zone feature, that allows you to combine two separate cooking areas into one, making room for larger pots and pans, and ensuring an even distribution of heat.
