Home printing made super simple Effortlessly print, scan, and copy with this compact, wireless, easy-to-use home printer with an automatic document feeder. Print everything from return labels to fun, colorful learning worksheets.^[3] HP Instant Ink eligible

Dynamic security enabled printer Certain HP printers are intended to work only with cartridges that have a new or reused HP chip or electronic circuitry. These printers use dynamic security measures to block cartridges using a non-HP chip or electronic circuitry. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. Reused HP chips and electronic circuitry enable the use of reused, remanufactured, and refilled cartridges.
