

Canon EG-E1 Extension Grip

Brand : Canon

Product code: 3484C001

Product name : EG-E1 Extension Grip

EG-E1 Extension Grip

Canon EG-E1 Extension Grip:

The EG-E1 Extension Grip has been designed to extend downwards and add extra handling flexibility when shooting with EOS RP. This extension grip does not provide grip or camera controls specifically for vertical shooting but is instead designed with the camera’s notably compact yet light build in mind, looking like an integral part of EOS RP. With its own card slot and battery compartment cover, there’s no need to remove the grip to access them - plus this grip is built with its own tripod socket and a knurled aluminium screw-in ring, so the overall style and practicality of your EOS RP camera isn’t affected.

Canon EG-E1 Extension Grip. Product colour: Black, Compatibility: Canon EOS RP. Number of products included: 1 pc(s), Package width: 86 mm, Package depth: 61 mm
