- 5 preset programmes for different types of rice
- 5-layer inner pot with non-stick Bakuhanseki coating
- Smart cooking curve to ensure perfect taste and texture
- Ready in 30 minutes with Fast Cook mode*
- Ergonomic design for easy handling
- Detachable inner lid for easy cleanup
- Hassle-free cooking with convenient accessories

** Cooking time is approximately 30 minutes based on tests using 1 cup of short-grain rice. Actual cooking times may vary depending on factors such as rice type, amount of rice, and cooking conditions.

Highlights

Mini rice cooker

With room for up to 0.54 litres of dry rice, it has the perfect capacity for small families and stores away easily in any cupboard.

5 preset programmes

Cook white, brown or sushi rice at the touch of a button, plus porridge and Fast Cook mode, too.

Non-stick Bahukanseki coating

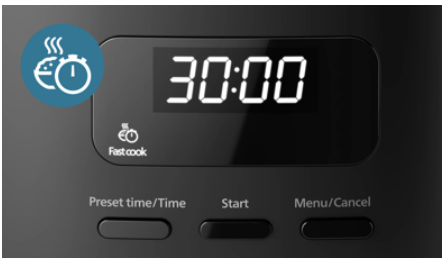

The durable, 5-layer inner pot heats evenly with a coating made from mineral-rich Maifan stone to resist sticking and scratching.

Smart Cooking Curve

Delicious, fragrant rice takes precision cooking. Dual temperature sensors use smart fuzzy logic to automatically adjust time and temperature throughout the cooking process.

Fast Cook mode

When there's no time to wait, Fast Cook mode gets rice on the table quicker than ever.

Ergonomic design

Anti-slip footpads and an ergonomic bottom grooved handle ensure your rice cooker is easy to carry and store.

Detachable inner lid

Simply remove the pot and the inner lid after use for quick, simple cleaning.

Convenient accessories

Enjoy more convenient cooking with our accessories, which include a rice spoon and handy measuring cup for a hassle-free cooking experience.
