[ZURU Fuggler Fart Face 9-inch Assortment Series 1 \(Wide eyed Weirdo - Multi\):](#)

We strongly advise you hide away and never let these rump-rippers into your home! With farts so stinky you can practically taste them, it's nearly impossible to evade the foul odour emitted from this wide-mouthed menace. We hope you have a strong stomach and a quick escape plan to get away from this Gnawing Terror.

Each badly behaved 9 inch/22cm Fart Face Fuggler is totally unique with a motion sensor farting nose. Why don't you see if you can collect all plush toys and bring the whole gang together for a totally weird adventure? Don't underestimate them though, adopting a Fuggler is at your own risk.
