GI-56C Cyan Ink Bottle

Canon GI-56C Cyan Ink Bottle:

Print durable, sharp and vibrant documents with this 135 ml bottle of cyan ink. Ideal for business documents, this ink lets you print up to 15,755 pages¹ from a full bottle, allowing you to go longer between refills. Experience high-quality prints thanks to a unique pigment ink. Once the document has dried fully this ink does not blur easily or become wet when being used with a highlighted marker, and keeps small characters clear and legible. Plus, an improved fool-proof no-squeeze bottle design and key type nozzles means you'll never accidentally refill an ink tank with the wrong bottle.
