EAN 6221127458527

COFFEE
MAKER

- Built-in conical burr grinder for fresh coffee every brew
- 200 g bean hopper and 1.5 L water tank – brews up to 12 cups
- Stepless grind control for precise flavor adjustment
- LCD screen with intuitive button controls for easy operation
- Thermostat-controlled brew temperature (75–85°C) for consistent taste
- Sleek black housing with stainless steel details – ideal for home or office
- Includes 12-cup glass carafe, funnel, filter, and coffee scoop

Brew café-style drip coffee from freshly ground beans with the Tornado TCM1025A-GS. This all-in-one grind & brew machine features a precision conical burr grinder and a stepless grind setting for optimal flavor extraction. The 200 g bean hopper and 1.5-liter water tank support up to 12 cups, perfect for entertaining, office breaks, or a full day of personal use. Its thermostat ensures stable brew temperatures between 75°C and 85°C for a full-bodied, aromatic cup every time. Use the LCD screen and intuitive button controls to customize your brew and enjoy hassle-free performance. The sleek design, combining durable plastic and stainless steel, fits seamlessly into any modern kitchen or breakroom. Whether you're brewing a single cup or a full carafe, the TCM1025A-GS delivers consistently great coffee with freshly ground flavor, convenience, and style.
