Barbie Color Reveal Balloon Animals Series Doll & Accessories with 6 Surprises (Styles May Vary):

Barbie Colour Reveal dolls deliver fun surprise as kids open the package -- six of them! With this series inspired by colourful balloon animals, kids find one of four unique dolls in this series, each with a bright streak in their long hair. Remove everything and fill the tube with warm water, then insert the doll and swirl around. Which doll will you reveal? Fashions and accessories to discover include a circle skirt with colourful print, headband, platform shoes and a balloon animal. Transform the doll's bodice with icy cold and warm water for additional fun and use the packaging tube to store the accessories. Kids will want them all! Each doll sold separately, subject to availability. Dolls cannot stand alone. Colours and decorations may vary.
