Hot Wheels City Super Fire Station Rescue Playset & 1:64 Scale Toy Car, Track Extends 16"

[Hot Wheels City Super Fire Station Rescue:](#)

The Hot Wheels City Super Fire Station Rescue Playset inspires creative storytelling and adventure with Hot Wheels toy cars. Drive into the carport and extend the firehouse ladder to create a 16" gravity drop. Choose one of four different exits: speed through a stoplight flipper, conquer a jump to put out a fire, visit the hydrant and water hose to reload, or speed off-site to save the day. The fire station rotates 360 degrees so that kids can choose which path to take. The base features Speed Snap Track System connection points for open-ended play. One Hot Wheels fire truck in 1:64 scale is included. Colours and decorations may vary.
