

## Verbatim VB-FD3-016-V3B

**Zīmols :** Verbatim

**Preces kods:** 49172

**Modeļa nosaukums :** VB-FD3-016-V3B

USB3.0 Flash Drive 16 GB Store 'n' Go black

Verbatim VB-FD3-016-V3B. Kapacitāte: 16 GB, Ierīces interfeiss: USB Type-A, USB versija: 3.2 Gen 1 (3.1 Gen 1), Lasīšanas ātrums: 60 MB/s, Rakstīšanas ātrums: 12 MB/s. Formas faktors: Slīdošais. Svars: 10 g. Produkta krāsa: Melns, Pelēks

| Darbības rādītāji                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Svars&dimensijas                  |          |
