TCM-14125 | Compact Coffee Machine with Portafilter & ESE Pod Compatibility

EAN 6221127023602

COFFEE
MAKER

- 15-bar pump for authentic espresso with rich crema
- Compatible with portafilter baskets and ESE pods
- Integrated 0.7 L milk tank with auto frother for cappuccino & latte
- Compact design with 1.2 L water tank for multiple servings
- One-touch controls and accessories for versatile brewing

Enjoy barista-style coffee at home with the Tornado TCM-14125 Compact Coffee Machine. Featuring a robust 15-bar pressure system and 1230–1470 W motor, it ensures rich, aromatic espresso every time. The generous 1.2-liter water tank allows multiple servings without constant refills, making it ideal for daily use or entertaining guests.

Compatible with both portafilter baskets and ESE pods, it offers flexibility for your preferred brewing method. An integrated 0.7 L milk tank and automatic milk frother make it easy to prepare cappuccinos, lattes, and other creamy beverages at the touch of a button. The elegant black and stainless steel finish adds a modern touch to any kitchen. Included accessories such as 1-cup and 2-cup filters and a coffee scoop provide added convenience and brewing versatility.
