Masters of the Universe Cannon Transform Trap Jaw Feature Action Figure Toy, 5.5 Inch Twist & Release

Masters of the Universe Cannon Transform Trap Jaw Feature Action Figure Toy, 5.5 Inch Twist & Release:

This Cannon Transform Trap Jaw figure, inspired by the 2026 live-action Masters of the Universe movie, lets kids bring home the battle of good versus evil in Eternia. The figure of the mechanical villain has a kid-powered twist-and-release quick draw action that works with either of his weapon accessories. This possible feature figure is content-accurate to the movie and comes with a hook and a cannon blaster; both can be used in-hand to accentuate the battle move. The cannon provides a spectacular two-part, transforming fold-out action. Colours and decorations may vary.
