

Lenovo 65 W Round-tip AC адаптер питания / инвертор Для помещений Черный

Производитель : Lenovo

Код товара: GX20K78592

Модель : 65 W Round-tip AC

Lenovo 65 W Round-tip AC. Предназначение: Ноутбук, Тип подачи питания: Для помещений, Входное напряжение: 100 - 240 V. Цвет товара: Черный. Ширина: 46 mm, Глубина: 108 mm, Высота: 29 mm. Количество в упаковке: 1 шт

| Свойства                        |                                 | Условия эксплуатации                              |           |
|---------------------------------|---------------------------------|---------------------------------------------------|-----------|
| Предназначение *                | Ноутбук                         | Диапазон температур при эксплуатации              | 8 - 80 °C |
| Тип подачи питания *            | Для помещений                   | Диапазон относительной влажности при эксплуатации | 5 - 40%   |
| Тип тока                        | Переменный ток в постоянный ток | Вес и размеры                                     |           |
| Входное напряжение *            | 100 - 240 V                     | Ширина                                            | 46 mm     |
| Максимальное входное напряжение | 240 V                           | Глубина                                           | 108 mm    |
| Частота входного сигнала *      | 50 - 60 Hz                      | Высота                                            | 29 mm     |
| Ток на входе                    | 1.5 A                           | Вес                                               | 300 g     |
| Выходная мощность *             | 65 W                            | Содержимое упаковки                               |           |
| Дизайн                          |                                 | Количество в упаковке *                           | 1 шт      |
| Цвет товара *                   | Черный                          |                                                   |           |
