- Dishwasher safe for carefree daily use

Highlights

ProBlend Plus technology

The motor, blades and tumbler are designed to work together for perfect results so that you can have the finest blends, even from the recipes with ice cubes, nuts and frozen fruits.

The ProBlend Plus motor

The ProBlend Plus motor creates a fast circulation of the ingredients for effortless blending

The ProBlend Plus blade

The ProBlend Plus blade crushes and blends the hardest ingredients into the finest texture thanks to 6 long, thick and sharp blades

The ProBlend Plus tumbler

The ProBlend Plus tumbler pushes the ingredients back into circulation thanks to its ribs, so that everything is evenly blended for smooth results.

Versatility with accessories

Blend and go with the handy 700 ml tumbler. Make your daily smoothie, then pop on a leak-proof lid to take it with you. Or store it in the fridge for later. The tumbler is made with Tritan from Eastman, and it is 100% BPA free, shatter-resistant and dishwasher-safe.

Elegant compact design

Add a stylish touch to your kitchen. Stainless steel design with a compact footprint and detachable parts for easy storage.

Variety of recipes

Enjoy a wide variety of homemade recipes; velvety smoothies, creamy shakes and thick rich sauces.

HomeID app

Discover a world of delicious recipes! Explore our HomeID app for tasty drinks, soups, sauces and more, plus tips and guidance for using your blender.

Easy to use

The press-and-twist tumbler eliminates buttons and dials. Blend effortlessly, all in one simple motion.

Specifications

General Specification

Primary Material: Plastic
Secondary Material: Metal
Pre-programmed settings: NA
Functions: blending
Product Type: mini blender
Certifications: NA
Capacity Basket: NA
Capacity Water tank: NA
Number of servings: 3
Interface: Press and twist the jar onto main unit
