

## Zalman ALPHA2 DS A36 BLACK computer cooling system

### Processor All-in-one liquid cooler 12 cm 1 pc(s)

**Brand :** Zalman

**Product code:** ALPHA2 DS A36 BLACK

**Product name :** ALPHA2 DS A36 BLACK

LGA 1851/1700/1200/115X, AMD: AM5/AM4, 29.7 dB, 1.25 l/min, 3300 RPM, 12 V, 5.4 W, 3.36 W  
Zalman ALPHA2 DS A36 BLACK. Type: All-in-one liquid cooler, Fan diameter: 12 cm, Maximum air pressure: 2.01 mmH2O, Bearing type: Ceramic bearing. Product colour: Black

| Performance                 |                                                                                                                                                         | Power                      |                   |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|-------------------|
| Suitable location *         | Processor                                                                                                                                               | Rated voltage              | 12 V              |
| Type *                      | All-in-one liquid cooler                                                                                                                                | Fan power consumption      | 3.36 W            |
| Fan diameter                | 12 cm                                                                                                                                                   | Pump power consumption     | 5.4 W             |
| Supported processor sockets | LGA 1150 (Socket H3), LGA 1151 (Socket H4), LGA 1155 (Socket H2), LGA 1156 (Socket H), LGA 1200 (Socket H5), LGA 1700, LGA 1851, Socket AM4, Socket AM5 | Rated current              | 0.45 A            |
|                             |                                                                                                                                                         | LED voltage                | 5 V               |
| Maximum air pressure        | 2.01 mmH2O                                                                                                                                              | Pump voltage               | 12 V              |
| Bearing type                | Ceramic bearing                                                                                                                                         | Fan current                | 0.28 A            |
| Fan noise level (max)       | 29.7 dB                                                                                                                                                 | Weight & dimensions        |                   |
| Quantity per pack           | 1 pc(s)                                                                                                                                                 | Radiator width             | 39.4 cm           |
| Coolant capacity            | 1.25 L                                                                                                                                                  | Radiator depth             | 12 cm             |
| Pump motor speed            | 3300 RPM                                                                                                                                                | Radiator height            | 2.7 cm            |
| Fan speed (min)             | 600 RPM                                                                                                                                                 | Pump width                 | 7.2 cm            |
| Fan speed (max)             | 2000 RPM                                                                                                                                                | Pump depth                 | 7.2 cm            |
| Design                      |                                                                                                                                                         | Pump height                | 6.5 cm            |
|                             |                                                                                                                                                         | Fan dimensions (W x D x H) | 120 x 120 x 25 mm |
| Product colour *            | Black                                                                                                                                                   | Packaging content          |                   |
| Material                    | Acrylonitrile butadiene styrene (ABS), Copper, Polycarbonate (PC)                                                                                       | Package type               | Box               |
| Radiator material           | Aluminum                                                                                                                                                | Cables included            | 3-pin             |
| Number of fans              | 2 fan(s)                                                                                                                                                | Mounting kit               | ✓                 |
| Number of fan blades        | 7                                                                                                                                                       | Screws included            | ✓                 |
| Illumination LED            | ✓                                                                                                                                                       | Number of nuts             | 4                 |
| LED connector type          | 3-pin                                                                                                                                                   | Number of clips            | 4                 |
| Fan connector               | 4-pin                                                                                                                                                   | RGB controller included    | ✓                 |
| Display type                | IPS                                                                                                                                                     |                            |                   |
| Display size (HxV)          | 320 x 320 mm                                                                                                                                            |                            |                   |
