[Fisher-Price Thomas & Friends Load & Launch Barrel Delivery Set by & Classic Motorized Toy Train:](#)

With this 80th anniversary-inspired Thomas & Friends Load & Launch Barrel Delivery Set, preschoolers can have barrels of fun just like their favourite engine and his pals! This expansive set includes a Classic Thomas motorized engine and cargo car, plus 18 feet of track and accessories to build out the world of Sodor. Flip the switch on the top of the engine to send Thomas through the tunnel and over the bridge to the delivery warehouse, where kids can load up one of four included barrels. Release Thomas to send him to the train depot, where the barrel automatically launches onto the depot's roof, ringing the bell. The turntable resets Thomas for his return to the depot, load another barrel and run again! Colours and decorations may vary.
