Star Wars The Black Series Scout Trooper Helmet

[Star Wars The Black Series Scout Trooper Helmet:](#)

Used by the Empire for various missions, scout troopers were lightly armored compared with other Stormtroopers, which allowed them to move more quickly and easily in a range of environments. Fans can imagine the biggest battles and missions in the Star Wars saga with electronic helmets from The Black Series (Each sold separately. Subject to availability.)! With exquisite features and decoration, this series embodies the quality and realism that Star Wars devotees love. With this Black Series helmet, featuring advanced LED technology, fans can imagine Star Wars action and adventure.
