schleich HORSE CLUB German Riding Pony Gelding:

The German Riding Pony Gelding from schleich® HORSE CLUB is part of a new pony breed that is specially bred for tournaments.

The German Riding Pony Gelding from schleich® HORSE CLUB has a beautifully braided mane. Despite his low height, he looks like a full-size horse. That is a special feature of this pony breed. The animals have long, slender legs and an elegant physique. This differentiates them from other ponies that have shorter, more stocky legs and a more thickset body. The German Riding Pony is also known as a miniature warmblood.
