

**Preces kods:** KB900-GR-INT

**Modela nosaukums :** KB900

| Tastatūra                                 |                               |
|-------------------------------------------|-------------------------------|
| Ieteicamais pielietojums *                | Birojs                        |
| Savienojamības tehnoloģija *              | Bezvadu                       |
| Ierīces interfeiss *                      | RF bezvadu sakari + Bluetooth |
| Klaviatūras taustiņu slēdzis *            | Šķērveida slēdzis             |
| Tastatūras izkārtojums *                  | QWERTY                        |
| Tastatūras valoda *                       | US International              |
| Rādītājierīce *                           | ✗                             |
| Tastatūras formas standarts *             | Pilns izmērs (100%)           |
| Cipartastatūra *                          | ✓                             |
| Vairāku ierīču atbalsts                   | ✓                             |
| Windows taustiņi                          | ✓                             |
| Karstie taustiņi                          | ✓                             |
| Karsto taustiņu skaits                    | 15                            |
| Frekvences josla                          | 2.4 GHz                       |
| Bluetooth versija                         | 5.1                           |
| Drošības algoritma atbalstīts             | 128-bit AES                   |
| Dizains                                   |                               |
| Displeja fona gaismā *                    | ✓                             |
| Rokas locītavas atslodotājs               | ✗                             |
| Regulējams tastatūras augstums            | ✓                             |
| Produkta krāsa *                          | Grafitš                       |
| Virsmas krāsojums                         | Vienkrāsaina                  |
| LED indikatori                            | Izlādēta tastatūras baterija  |
| Īpašības                                  |                               |
| Bezvadu rūtera amplitūda                  | 10 m                          |
| Energijas pārvaldība                      |                               |
| Barošanas avota veids *                   | Baterija                      |
| Tastatūras bateriju veids                 | Iebūvēta baterija             |
| Akumulatoru kalpošanas laiks              | 20 mēnesis(i)                 |
| Uzlādes avots                             | USB Veids-C                   |
| USB Type-C uzlādes ports *                | ✓                             |
| Energijas pārvaldība                      |                               |
| Nepieciešamā uzlādes jauda (min.) *       | 3,25 W                        |
| Nepieciešamā uzlādes jauda (maks.) *      | 15 W                          |
| Baterija                                  |                               |
| Baterijas tehnoloģija                     | Litija jons                   |
| Baterijas performance                     | 3000 mAh                      |
| Pele                                      |                               |
| Pele iekļauta *                           | ✗                             |
| Sistēmas prasības                         |                               |
| Atbalstītās Windows operētājsistēmas      | ✓                             |
| Mac operētājsistēmas atbalstītas          | ✓                             |
| Linux operētājsistēma atbalstīta          | ✓                             |
| Atbalstītās mobilās operētājsistēmas      | Android, iOS                  |
| Ārējās vides apstākļi                     |                               |
| Darbības temperatūras amplitūda (T-T)     | 0 - 40 °C                     |
| Uzglabāšanas temperatūras amplitūda (T-T) | -40 - 65 °C                   |
| Uzglabāšanas relatīvā mitruma amplitūda   | 20 - 90%                      |
| Svars&dimensijas                          |                               |
| Tastatūras dimensijas (WxDxH)             | 121,5 x 439,55 x 20,7 mm      |
| Tastatūras svars                          | 730 g                         |
| Iepakojuma saturs                         |                               |
| Iekļauto produktu skaits *                | 1 pcs                         |
| Uztvērējs komplektā                       | ✓                             |
| Bezvadu uztvērēja interfeiss              | USB Type-A                    |
| AC adapteris komplektā *                  | ✗                             |
