Bestway Round Pool Cover for 3.66 m Above Ground Pools:

Keep your pool clean and pristine when it's not in use with the Bestway Round Pool Cover. Above ground pool covers are a must-have accessory; they keep debris, leaves and trash from getting in the water, prevent algae growth and reduce the amount of chemicals you need to use to keep your water in tip-top shape. This pool accessory features drain holes to prevent the accumulation of water and stretching from the strain of the weight. A rope is built into the lining of the cover, and it can be tightened to keep the cover in place, even in windy conditions. This cover is the perfect accessory for a Bestway 3.66 m (12 ft.) round frame pool and round inflatable ring pool.
