Hot Wheels City Tunnel Twist Car Wash & Color Shifters Vehicle in 1:64 Scale:

The Hot Wheels City Tunnel Twist Car Wash adds a twist to the colour-changing action with an innovative water-spraying tunnel! Kids drive the include Hot Wheels Colour Shifter car to the entrance where they take the kid-powered lift to the top floor. Drive into the rotating car wash tunnel where it gets doused in very warm water and see the car's deco instantly change! Ride down the ramp through the foam roller and hit up the vacuum to complete the detailing. Finally, drop into the icy cold water dunk station where the car's deco changes back to its original colours. Repeat again and again. Colours and decorations may vary.
