BABY born Deluxe doll's pram, doll's pram with adjustable lying surface and handle, 834145 Zapf Creation

BABY born Deluxe Pram:

The BABY born Deluxe doll's pram leaves nothing to be desired: The carrycot can be tilted down and BABY born is no longer lying in her pram, but sitting in a sporty jogger and watching the world go by in a seated position. The canopy can be easily folded back so that she can enjoy the sun. There is also enough space in an extra compartment for Teddy, the shopping or the treasures from a walk. Thanks to the three wheels, the pushchair is easy to steer and manoeuvre - by children of different sizes, as the handle height can be adjusted to different sizes. When the journey is over, the doll's pram can be easily folded up and stowed away to save space.
