Clemmy Sensory farm

Clementoni Clemmy Sensory farm:

A farm play set abounding in relief textures, soft Clemmy-style inserts, lots of blocks and friendly farm animals. Safe and 100% washable!

The sensory farm contains lots of soft Clemmy blocks that can be stacked, squashed and easily slotted in through the windows and from the roof.

A part of the roof can be opened for play and to take out the blocks.

These activities help children to make logical links and also develop manual skills and hand-eye coordination.

Multiple surfaces with soft inserts and relief textures encourage children to explore and develop their sense of touch.

The attractive setting and cute characters make for spontaneous and creative play, enabling children to invent a host of farm-related stories.

Conceived, designed and developed in Italy.
