STEAM IRON

- 2000–2400 W power with 170 g steam boost for deep crease removal
- Durable ceramic soleplate for even heat and smooth gliding
- Continuous steam output of 25–40 g/min + vertical steam function
- 300 ml water tank and 1.8 m cord for longer, flexible use
- Anti-drip and anti-calc systems for clean, reliable performance

Iron smarter and faster with the Tornado TST-2000G Steam Iron—built for power, precision, and ease of use. Its durable ceramic soleplate glides smoothly across all fabrics, distributing heat evenly for consistent results. The powerful 2000–2400 W heating element ensures a fast 52-second heat-up, ready when you are.

With a continuous steam output of 25–40 g/min and a 170 g steam boost, the TST-2000G handles everything from delicate garments to heavy fabrics. Four adjustable steam settings and a vertical steam function make it ideal for both flat ironing and refreshing hanging clothes. The 300 ml water tank and 1.8 m cord give you extended reach and flexibility. Built-in anti-drip and anti-calc systems keep your ironing clean and mess-free. Finished in sleek black and grey, the TST-2000G brings reliable performance and professional-grade results into your home.
