Takkiti, the unicorn foal is still very young and shy. Only one of the elves is allowed to stroke and feed Takkiti, although who that is remains a secret.

schleich BAYALA Takkiti:

Takkiti is still very young and, as a result, very shy. Hardly anyone has caught sight of him and only a few of the elves have managed ever to watch him. The elves who have seen Takkiti, tell of the marvel of his beauty and grace. Takkiti only allows one of the elves to stroke him and sometimes feed him. Who is it? That remains the secret of the little unicorn foal.
