

PHILIPS

Hue Flux connector 4-pack

LIGHTSTRIPS

Join two pieces of strip light

Linear connector for long
spaces

Ensures consistency of light

DIY-friendly

8721103043917

Easy smart lighting

Simple installation, even for first-time users. Connect two pieces of a Flux or Flux ultra-bright strip light after cutting them. The connector is designed to join two pieces of strip light together in a straight line for installation along any longer space without compromising consistency or quality of light. Perfect for using long light strips around entire rooms, alcove lighting or stepped ceiling installations.
