Easy smart lighting

Traditional style meets modern smart lighting features with the Philips Hue tunable white and colour candle bulb. Enjoy warm-to-cool white light and millions of expressive colours to create the perfect ambience and complement your home décor. Ultra-low dimming lets you dim the bulb down to just 0.2% of its total brightness, maintaining consistent colour performance at different dimming levels. The latest generation of this elegant dual-layer design bulb introduces new and improved features, including full-spectrum daylight that brings the feeling of natural daylight into your home. Relax in warm hues of a summer sunset or energise with the crisp white tones of a winter sky. Chromasync ensures the bulb's 16 million colours are precisely matched across multiple bulbs without colour deviation. The bulb is now 40% more energy efficient than its previous generation, while Matter compatibility brings seamless connectivity with other smart home devices. Unlock even more features with a Hue Bridge.

Easy smart lighting

- Control lights with your voice*
- Create a personalised experience with colourful smart light
- Set the right mood with warm to cool white light
- Unlock the full suite of smart lighting features with the Bridge

Highlights

Control lights with your voice*

Philips Hue works with Amazon Alexa and the Google Assistant when paired with a compatible Google Nest or Amazon Echo device. Simple voice commands allow you to control multiple lights in a room, or just a single lamp.

Create a personalised experience with colourful smart light

Transform your home with over 16 million colours, instantly creating the right atmosphere for any event. With the touch of a button, you can set a festive mood for a party, turn your living room into a movie theatre, enhance your home decor with colour accents, and much more.

Set the right mood with warm to cool white light

These bulbs and light fixtures offer different shades of warm to cool white light. With complete dimmability from bright to low nightlights, you can tune your lights to the perfect shade and brightness of light for your daily needs.

Unlock the full suite of smart lighting features with the Bridge

The Bridge unlocks the features that make smart lighting truly smart – away-from-home control, voice control, automated lighting and much more. Add a Bridge to your setup to create immersive experiences, tap into technology that's secure and reliable, and more. The Bridge is the key to smart lighting like you've never seen before.

- Luminous efficacy (rated) (nom.): 135

Miscellaneous

- Especially designed for: Functional, Kitchen, Ambience, Bedroom, Dining Room, Living Room, Home Office, Hallway, Children's room, Study

Packaging information

- EAN: 8721103099303

Power consumption

- Standby power consumption: 0.2 W
- Energy efficiency label (EEL): D
- Power: 3.7 W
- Energy consumption kWh/1,000 hours: 4

Product dimensions and weight

- Overall height: 39 mm
- Overall length: 117 mm
- Overall width: 39 mm

Service

- Warranty: 2 year(s)

Technical specifications

- Lumen output at 4000K: 500
- Compatible with Philips Hue dimmable devices: Yes
- Diameter: 39 mm
- Bulb technology: LED
- Light colour: Coloured and white light (RGBW)
- Energy class included light source: D
- Fitting/cap: E14
- IP code: IP20
- Class of protection: NA
- EPREL Registration Number: 2480948
- UL wet/damp/dry location: Damp location, Dry location
- Radio frequency sensing: MotionAware™
- Zigbee repeater functionality: Yes

The bulb

- Reference Control Setting*: 4,000K; via Hue app scene 'Cool bright'
- Diameter: 39 mm
- Form factor: Bulb
- Height: 117 mm
- Input voltage: 220V-240V
- Light output: White and colour light
- Power factor: 0.5
- Software upgradable: Yes
- Wattage equivalent: 40 W

What's in the box

- Hue bulbs: 2
