Blokus Strategy Family Board Game for Kids & Adults with Color Blind Accessible Pieces & One Rule

Mattel Games Blokus Strategy Family Board Game for Kids & Adults with Color Blind Accessible Pieces & One Rule:

Players stake their claim and protect their territory with the Blokus game! It takes less than a minute to learn, but offers endless strategy and fun challenges for the whole family. Each player gets a set of 21 pieces in red, blue, green or yellow, then takes turns placing them on the board. There's just one rule: each piece played must touch at least one other piece of the same colour, but only at the corners! The goal is to fit the most pieces on the board. The game ends when no more pieces can be placed down, and the player with the lowest number remaining wins! For 2 to 4 players ages 7 years old and up. Colours and decorations may vary.
