

## TP-Link Archer TX20U Plus WLAN 1800 Mbit/s

**Zīmols :** TP-Link

**Preces kods:** ARCHER TX20U PLUS

**Modeļa nosaukums :** Archer TX20U Plus

TP-Link Archer TX20U Plus. Savienojamības tehnoloģija: Bezvadu, Saimnieka interfeiss: USB, Interfeiss: WLAN. Maksimālais datu pārraides ātrums: 1800 Mbit/s, Wi-Fi josla: Divkāršā frekvenču josla (2.4 GHz / 5 GHz). Antenas tips: Ārējs, Produkta krāsa: Melns

| Savienojamība                          |                                                                                      | Sistēmas prasības                                                                                                                                                                                                                                                                                                                                                                                             |           |
