

APC APCRBC143 аккумулятор для ИБП Герметичная свинцово-кислотная (VRLA) 120 V

Производитель : APC  
Модель : APCRBC143

Код товара: APCRBC143

APC APCRBC143. Напряжение батареи: 120 V, Количество батареек в комплекте: 1 шт, Емкость батареи: 600 VAh. Compliance certificates: RoHS. Технология батареи: Герметичная свинцово-кислотная (VRLA). Вес: 22,3 kg, Ширина: 279 mm, Высота: 225 mm. Ширина упаковки: 293 mm, Высота упаковки: 253 mm, Глубина упаковки: 495 mm

| Свойства                          |                                       | Данные об упаковке                                |             |
|-----------------------------------|---------------------------------------|---------------------------------------------------|-------------|
| Напряжение батареи *              | 120 V                                 | Глубина упаковки                                  | 495 mm      |
| Емкость батареи                   | 600 VAh                               | Масса брутто                                      | 25,2 kg     |
| Количество батареек в комплекте * | 1 шт                                  | Условия эксплуатации                              |             |
| Цвет товара                       | Серебристый                           | Диапазон температур при эксплуатации              | 0 - 40 °C   |
| Сертификаты                       |                                       | Диапазон температур при хранении                  | -15 - 45 °C |
| Compliance certificates           | RoHS                                  | Диапазон относительной влажности при эксплуатации | 0 - 95%     |
| Батарея                           |                                       | Диапазон относительной влажности при хранении     | 0 - 95%     |
| Технология батареи *              | Герметичная свинцово-кислотная (VRLA) | Рабочая высота                                    | 0 - 3000 m  |
| Вес и размеры                     |                                       | Высота в нерабочем режиме                         | 0 - 15000 m |
| Вес                               | 22,3 kg                               | Логистические данные                              |             |
| Ширина                            | 279 mm                                | Код гармонизированной системы описания (HS)       | 85044095    |
| Высота                            | 225 mm                                | Общий углеродный след (kg of CO2e)                | 81,75       |
| Глубина                           | 481 mm                                |                                                   |             |
| Данные об упаковке                |                                       |                                                   |             |
| Ширина упаковки                   | 293 mm                                |                                                   |             |
| Высота упаковки                   | 253 mm                                |                                                   |             |
