### 6th Sense Technology

Discover perfect care. 6th SENSE intelligent sensors adapt resources according to the size and type of load, offering time, energy and water optimization.

### FreshCare+

100% Freshness even if you forget to unload. No need to adapt your schedule to the laundry chores: your garments will be protected from odours and creasing. FreshCare+ thanks to delicate steaming and tumbling action inhibits the proliferation of the main bad odour sources (inside the washer) for up to 6 hours after the cycle ends, while gentle tumbling prevents fixing of creases.
