Hot Wheels City Hot Wheels Ultimate Dual Dragon Transporter & 2 1:64 Scale Toy Cars

Hot Wheels City Ultimate Dual Dragon Transporter & 2 1:64 Scale Toy Cars:

Drive into battle with this large-scale dragon hauler that features an additional detachable dragon that eats toy vehicles! After knocking out cars with the fire-breathing dragon, unlock the smaller dragon and transform it into racetrack! Press the button to make its wings move and emulate a real dragon, then swoop in to make it eat cars. Return to the base and release the vehicles into the launchers where they can take off on side-by-side tracks! The hauler includes two 1:64 scale cars, but kids can store more than 20 vehicles in and on the two dragons. (Additional cars sold separately.) Launch out or connect Hot Wheels track to the front for on-track play. Colours and decorations may vary.
