PanzerGlass® Privacy Screen Protector iPhone 11 | XR | Edge-to-Edge:

Private messages. Bank details. Pin codes. With this screen protector, your secrets are safe from the prying eyes of people sitting next to you on the train, on the bus or in the office. The specially designed privacy filter renders the content of your screen virtually invisible to everyone except you.

Accidental bumps against sharp-edged dangers in your pocket or crushing falls onto stone-hard pavements are also no match for this scratch and shock-resistant screen protector. It even has a smudge-free coating with antibacterial effect that reduces traces of fingerprints and kills up to 99.99% of all common surface bacteria.

The Edge-to-Edge screen protector covers the entire front surface of your phone, while leaving room for a case.
