Hot Wheels City Dragon Launch Transporter, Spits Cars from its Mouth, Gift for Kids 3 Years & Up:

The Hot Wheels City Dragon Launch Transporter delivers the heat with super cool features kids will love. Instead of shooting flames out of its mouth, this stylish dragon shoots Hot Wheels vehicles! Kids load three cars into it, then hit the launcher to send vehicles speeding off to different adventures. Track connectors at the front and rear of the beast allow kids to attach Hot Wheels track, adding to an existing build or to start a new one. This hauler comes with one Hot Wheels car but can store up to five (additional cars sold separately). Not for use with all Hot Wheels vehicles. Colours and decorations may vary.
