Transformers: EarthSpark introduces a new generation of Transformers robots - the first Transformers bots to be born on Earth. Together with the human family who welcomes them in and cares for them, they'll redefine what it means to be a family.

Transformers: EarthSpark Tacticon figures feature popular characters as seen in Transformers EarthSpark animated TV series (each sold separately, subject to availability). Convert the 2.5-inch Transformer toy from alt mode to robot mode around your finger!

Place 1 finger on the character in vehicle mode to convert the toy to robot mode right around the finger! Convert back to vehicle mode in 1 step. The small figure scale is perfect to tuck in a pocket for on-the-go action and play, whether at school, with friends, or in the car!
